

MEMBERSHIP RENEWAL NOTICE

Dear Phoenix Society Member:

It's that time of year again - your membership may need to be renewed. Those of you who receive hard copies of the *Post Crypt* and *Phoenician*, please check your mailing label. If the first line contains R2010, A2010, W2010, P2010, or E2010, your membership expires at the end of December 2010. If you receive your *Post Crypt* and *Phoenician* on-line, the expiration date is opposite your name in the on-line e-mail roster or you may contact the office and they will be glad to give it to you. You may renew your membership by completing the form below and mailing it to the Phoenix Society along with your check for \$25 for an annual membership. You may also renew your membership using the Paypal link in members Only on the Phoenix Society website. Life memberships are also available based on your age (Age 55-60 \$800; Age 61-69 \$600; Age 70+ \$400).

In addition to receiving our news publications that include the *Post Crypt* and *Phoenician*, your membership will afford you the opportunity to socialize and travel with other retirees and friends. Our *Directory of Members*, membership database, and e-mail address listing will enable you to keep in touch or renew acquaintances. We provide notices of employment and volunteer service in the local community. Our Website, www.thephoenixsociety.org, is useful for items such as general Phoenix Society information, issues affecting health and retirement, and occasional publications of the Agency. Several areas are restricted to "Members Only" access, and more will be added in the coming year.

We are also taking this opportunity to update or correct member information. Even if you do not owe dues, please inform us of any changes in your address, telephone number, or e-mail address so we have complete and correct information in our database. Please also include the name of your spouse if he/she is also a member.
